Film trailers with real farmiga, Patrick Wilson, McKenna Grace and more. Meanwhile, said character moves continuously through the level, without leaving time to stop. Inspired by the minimalist nature of Japanese wooden prints, Monument Valley is a real festival for the eyes (and ears!). Photo of courtesy: Giant Squid Studios Via Ign / YouTube inspired by the love of the diving diving, Sumerian mythology and oceanic cosmic motifs, AbzÅf Å» has a very distinct feel. Translation: If repaired in place, you can get your daily correction here. Available on: Windows, iOS, PlayStation 3 & 41. The game transports you to the neon-illuminated oceans and to the reach of Stella Space, but, as the Eurogamer puts it, this dreamier takes the Tetris is a Å ¸ Å , - "inspiratory and uplifting experience. Original 1980s of the puzzle game of tile matching, then you could be baffled about how Tetris and its hectic music adapt to the part Å ¸ Å , - Å "RelaxingÅ ¸ Å , - of our list. Even if they are placed Against the enemies with your sword, the bow and other armaments, the game is not driven by fighting. Photo of courtesy: Campo Santo, Ltd./imdb At the beginning, explore the splendid scenery, scrambling rock faces and Excursions through the pine forest. Available on: Nintendo Switch & Wiiu Å " Å »Å2Inters He is advertiser: when you buy links to our site, we can earn an affiliate commission. The original portal, which was just launched in a compilation of the games called Box Orange, was a surprise success, the suggestion valve to create a standalone sequel. FirewatchFirst-person Game Firewatch is part-relaxing and part-shiver Å ¸ Å , - "a potentially perfect mix when you are locked inside. As in the case of previous items in the series, New Horizons is Simulation game of non-linear life playing real-time. Enter the Tetris effect, which takes its name from a phenomenon of the real world in which the players - players' brains are so rivets from iconic Å ¸ Å , - Å "TetriminoÅ ¸ Å , - blocks that actually suffer in players , thoughts and dreams. Photo courtesy: Nintendo / IMDB with its incredible attention to detail and faceted innovations when it comes to open-world design, the wild breath has already been greeted as one of the largest parties of all time. Portal 2Devised by Valve, the people behind the Half-Life and Team Fortress, Puzzle-Platform Portal 2 is probably their best title. That he puts apart from the Kentucky route, however, is his atmosphere - and his poetry. Photo of courtesy: Namco Via Nintendo / YouTube to recreate those stars, rolls a magic, super-adhesive or katamari ball, around various rooms. Of course, the game camera can be occasionally WWKY and the story is not super rich, but you will be fascinated by the colorful world and full of fish. When the pass becomes hard, there's nothing like getting lost in a video game. Available on: iOS, Windows Phone & Android 10. Available on: iOS, Android, Kindle Fire & Linux 8. Bizarre, heavily stylized and not interested in reality in the minimum, Katamari Damacy is an almost perfect and compelling flight for players of All levels of skills. Think again. Looks simple, right? All of three-dimensional exchanges to Tetris playing pieces reacts to as games, making this an audiovisual experience like no one else. Adventure of Alto & Alto Odysseyin An infinite-runner game, your goal is to dodge obstacles - which otherwise will go otherwise K.O. Your character. Photo of courtesy: Risusonair via PlayStation / YouTube Tetris Effect finds inspiration in this sense of diving and Full of mysterious characters, Kentucky Route Zero pulls you in his strange dark world. Better yet, experimentation is Available on: Nintendo Switch, Playstation 2 & 33. All these Split-Second decisions can end up in frustration, especially for newcomers Å ¸
